CAMPBELL'S PHARMACY, 1th and Park sts. nw.
KENESAW PHARMACY, Mt. Pleasant and Irvins at the strength of the strength o Demands of Foreign Countries Will of the Past Week on Exchange.

New York, June 23.-The average price New York, June 23.—The average price of the active stocks dealt in on the stock UNDERWOOD'S, corner Prince and Royal sts. exchange fluctuated last week within a point, and the animation of the market LA COSTE & MAXWELL, Marquette Bldg. so that on Thursday the turnover of stocks for a full day's business was the smallest of the year to date, and the market sank to a condition of almost absolute torpor. As might be imagined from the foregoing statement, the security market of the week was without any def-kKA. 1011 N. Y. ave. inite tendency and developed no notable features, and fluctuations in it were solely those produced by the speculations of FRANKLIN INSURANCE CO., 419 10th st. nw habitual operators, most of whom changed their "position" regarding the market several times in the course of each day, and at the last almost entirely ceased TAL COM. COLLEGE, 300 O st. nw. their trading.

All this emphasizes the diagnosis of the situation that has for some time been more or less generally made, that the stock market has arrived at a state of wood's COMMERCIAL SCHOOL, 311 E. Capito equilibrium, and is waiting for the dethat security prices were in the main heavy during the week, and the pessiheavy during the week, and the pessimism regarding the future was increased WHISKY. \$2 PER GALLON. THE JOHN WEDDERBURN CO., \$18 F st. nw. jel5-tf. on the part of the professional speculative element. Most of the members of this party have been hostile to the market for a long time, and have only been deterred in recent weeks from making violent attacks upon values by the fear, to which one event after the other lent considerable justification, that it might be difficult for them to recover the stocks thus speculatively sold.

Hard for Roads to Borrow. James J. Hill said during the week, and

were finding it as hard as ever to borrow money, and although in one or two instances prices of bonds have risen because of an especial recognition of the fact that the valuation of the securities n question had been depressed to a point absurdly low the bond market as a whole was almost destitute of life. This but it is to be remembered on the other hand that a lack of buyers in the market essed at the end of a long depression in prices. It takes people time to get their bearings under such circumstances and WANTED-TWO GIRLS (COLORED), AS CHAMto make up their minds to again invest noney, while the speculative market itemporary annihilation of the purchasing WANTED-RESPECTABLE COLORED WOMAN, power formerly exercised in a vigorous way by many large market operators small who find themselves at last badly crippled financially if not utterly prostrate On one point, at any rate, it is perfectly wanted-situation by French Chauf- Fine Brick Stable, on wide alley, ket may remain in its present balanced state for a prolonged period, perhaps even until after the close of the next Presidential election, but some time it will change its existing condition of halt

Tightening of Money Rate.

All the great foreign national banks made statements last week showing a ONE YALE, TWO READINGS; SLIGHTLY used; cheap. At HAZLETON'S, 429-431 10th st. gratifying enlargement of their proporand yet these reserves are still low for the time of year and should naturally receive further strengthening. The focusing point of interest in all these circumstances lies temporarily in the midyear foreign financial settlements now so near shown by bankers here regarding new keep themselves strong pending the semiannual adjustment of balances all the

be a feeling of relief everywhere, and the security market should not fail to reflect the fact. It may be said that the best judgment of the best people is that the settlements will pass in a satisfactory that the settlements will pass in a satisfactory the settlements of the settlements. If this period passes quietly, there will judgment of the best people is that the settlements will pass in a satisfactory manner, but preparations for them have and bankers here seem to think that we will continue to make metal remittances abroad until a rise in money rates here forbids. On the face of things, it looks as if such a tightening of money was not very far off. We have exported to date this year, and all within the last few weeks, over \$19,009,000, and our surplus weeks, over \$18,00,000, and our surplus
bank reserve now stands at low figures
WHISKEY, E PEB GALLON. THE JOHN
WEDDERBURN CO., 615 F st. nw. app-tr

It is, of course, always found that when money rate of a to 6 per cent would bring out largely increased offerings of funds turn out, too, that in spite of all the unlittle stronger during the week, this has been apparently chiefly due to the natural recovery of the market from a heavily
